

# Souls on a Journey

Cultural, Historical , Natural & Culinary Feast

## Saturday (The Finger Lakes Vibe)

After waking up in one of the Finger Lakes' many luxurious LGBTQ+ friendly lodging options, travel to Auburn. You will find the NYS Equal Rights Heritage Center, a fantastic museum and welcome center to begin your weekend getaway. For a taste of local food and culture, just outside the museum, you'll find the Downtown Auburn, Saturday Market. After exploring the museum and market, sit back and enjoy a show at The Rev, which has four shows running this season.

## Sunday (All The Above in Ithaca)

Continue your weekend in the hip and vibrant Ithaca, located on the cool waters of Cayuga Lake. In Ithaca, you can explore the commons, go hiking at the beautiful Buttermilk State Park, or relax by the waterfront. You can enjoy the queer history through an audio-guided walking tour of Ithaca, which you can find on [visitithaca.com](http://visitithaca.com). And of course, no Finger Lakes weekend would be complete without a sunset, and for the best seats in the house, grab a ticket to Club Seneca's Sunday night boat cruise for a relaxing sunset cruise.
